Prevent Chargebacks with Ethoca Alerts

Our chargeback alert system was designed specifically to help merchants fight credit card fraud, informing you in near-real time of incoming disputes so that you can respond to them and, ultimately, avoid chargebacks altogether.

How It Works

Want to learn more about how Ethoca Alerts can work for you?

CONTACT US

With Ethoca's revolutionary, award-winning solution, you can:

Fight Fraud

Our online Alerts portal requires no integration to get started — meaning you can start fighting fraud within days.

Maximize Revenue

Our product is built on the idea that we can help you reduce chargebacks and the costs that come with them — helping you maximize revenue.

Eliminate Chargebacks

By acting on disputes as soon as they happen, you can stop them from becoming a chargeback and impacting your chargeback ratio.

Join a Powerful Network

Ethoca has one of the largest networks with over 6,000 merchants participating. Since 2011, we've helped stop over 21 million chargebacks. If you're ready to take the next step to avoid chargebacks, stop ecommerce fraud, and reclaim your profits, schedule a FREE assessment to find out how Ethoca can produce real cost savings for your business.
